DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 22 Feb 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The Requirement for Restriction/Election sent 21 Dec 2007 required Applicant to elect for prosecution on the merits:

- 1) a single group from among Groups I-IV,
- 2) a single independent and/or patentably distinct species from among the Species 1-10, and
- 3) a single disclosed species regarding election of either of Groups I-IV and the additional election of Species 1-10 (pages 8 and 9). Applicant is required to define each of R¹, R², R³, R⁴, R⁵, R⁶, Ar, Cy, V, W, X, Y, n and m, and any additional variables as required for a particular species.

Applicant's response included election of 1) Group I and 2) Species 6: formula (VI). However, Applicant failed to elect 3) a single disclosed species defining each substituent/variable specifically.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
